Intro: E B A E B A

E B A

This is where I am

E B A

And that is where I want to be

E B A

And I just can't get there

E B A

By any strength I possess (have) in me

E B A

But You hear the cry of my heart

E B

The cry of my heart

F#m A

To please You Lord

E B A

Thank God that that is enough

E B

That is enough

F#m A (intro)

And You take me the rest of the way

E B A

This is all I have

E B F#m A

But have I all I need to see

E/G# B A

Myself truly changed

E B F#m E/G# A B

You might have to do that for me

(same as above chorus)

When You hear the cry of my heart

The cry of my heart

To please You Lord

Thank God that that is enough

That is enough

And You take me the rest of the way

INTER: E

F#m A

The caterpillar doesn't try, to become a butterfly,

E B A

The flowers don't make themselves bloom.

F#m A

And all the change for which I strive,

A E (intro)

You supply when I abide in You (when I'm found in You)
